

5th annual

WOMEN in ENGINEERING SUMMIT 2026

20-22 October
Sydney | Australia

Develop skills, overcome barriers & drive engineering excellence

PARTNERSHIP PROSPECTUS

"There's something electrifying about walking into a room where everyone is united with a common goal. The Women in Engineering Summit was an amazing experience. I learned so much in just 2 short days, and met so many inspiring, smart and driven women. An empowering, educational experience."

Industrial Automation Engineer, **GPS Electrical Services** (past attendee)

Past Partners Include:

Organised by:

Australia's most popular **WOMEN IN ENGINEERING** event returns!

The 5th annual **Women in Engineering Summit 2026** is a dynamic and inspiring event that brings together female engineers, students, industry leaders, and advocates to celebrate, support, and empower the engineering field.

Through keynote speeches, panel discussions, networking sessions, and workshops, the summit fosters collaboration, innovation, and career development while addressing the challenges and opportunities unique to women in STEM.

If you have an innovative or market leading product, solution or service related to any aspect of engineering, the **Women in Engineering Summit 2026** needs to be a part of your sales and marketing campaign.

With the first 4 Women in Engineering events all selling out, this is your opportunity to engage with key decision makers representing the entire spectrum of the engineering profession, understand their challenges, and share solutions.

Who will you meet?

Potential sponsors of the **Women in Engineering Summit** will have the opportunity to connect with a diverse and influential group of attendees, from engineering leaders through to aspiring engineers, industry professionals, academic leaders, and top engineering students from universities across the region.

You'll also engage with keynote speakers, innovators, and decision-makers from leading tech companies, engineering firms, and research institutions.

These interactions provide sponsors with valuable networking opportunities, potential recruitment connections, and meaningful conversations around inclusion, innovation, and leadership in engineering.

Key Themes:

Discovering solutions to to accelerate your career, improve your projects, and drive organisational success

Industry outlook: learning how to succeed in the engineering profession of tomorrow

Developing in-demand skills to improve your performance, strengthen teams & future-proof your career

Exploring how top companies are tackling technology, sustainability & engineering challenges

"The high quality of the speakers and high intellectual level of the content really impressed me. A dynamic, inspiring and empowering event focusing on intensive high level knowledge sharing."

General Manager, **Haslin Constructions**

Why leaders and decision makers will be at the Women in Engineering Summit 2026

- 1 Join the premier event for women in engineering to accelerate your career and drive organisational success
- 2 Sharpen your communication, leadership & project management skills
- 3 Combat the DEI backlash by learning how to address resistance, strengthen credibility, and keep diversity progress moving forward
- 4 Learn how top companies are tackling technology, sustainability & engineering challenges
- 5 Experience interactive champagne roundtables for high impact discussions, actionable insights & meaningful connections
- 6 Access proven strategies for career advancement & longevity
- 7 Expand your network with authentic and accomplished leaders who can support your professional growth

Who should partner?

If you have an innovative or market leading product, solution or service related to any aspect of engineering, the 5th annual **Women in Engineering Summit 2026** needs to be a part of your sales and marketing campaign.

With the first 4 Women in Engineering events all selling out, this is your opportunity to engage with key decision makers representing the entire spectrum of the engineering profession, understand their challenges, and share solutions.

Partners will include, but are not limited to:

- Engineering, design & project delivery firms
- Construction & contracting companies
- Technology & software providers
- Materials and equipment suppliers
- Recruitment & workforce solutions
- Project management consultants
- Building and construction suppliers

Why partner?

Does your organisation want to....

Increase visibility and be recognised as an expert in its field?

The **Women in Engineering Summit 2026** positions your organisation as a thought leader in front of renowned and industry-recognised speakers as well as an inquisitive and influential audience of attendees

Increase reach?

Use ours! The **Women in Engineering Summit 2026** marketing reaches over 15,000 unique, targeted contacts – join our campaign early and benefit from 5+ months of brand awareness

Meet the right people?

With multiple networking opportunities across the 2 main conference days, you can expand your networks and socialise with existing clients and prospects. Save time on identifying and building relationships with new prospects. We target the key influencers and decision makers and you grow your community and get authentic, meaningful facetime across the event days

Launch new products?

Showcase new and innovative products and services to an interested and influential audience of dedicated professionals seeking the best solutions to the challenges they're facing

Build its brand?

The **Women in Engineering Summit 2026** offers brand recognition opportunities to position your company among the premier organisations within the engineering ecosystem and enhance your profile as a trusted brand and market leader

If yes, then let's connect.

Through consultation with our in-house marketing strategists, we will tailor a programme to suit your objectives, whether they involve thought leadership, branding, lead generation, specific one on one meetings or a more social networking event.

There are numerous sponsorship and exhibition opportunities available with packages designed to help you meet your marketing and sales targets. Contact **Lewis Halliday** on lewish@questevents.com.au or +61 (0) 412 678 218 to discuss how we can help you connect with your ideal audience.
